

# 5th Course, 3rd Class

## Thursday, February 16

Most of this class was devoted to understanding Secondary Progressions and Solar Arc Directions.

### Chat

19:10:14 From Angela Dills to Everyone:

I watched next week's videos instead of this week's videos - 😊

19:10:27 From Rachna Anand to Everyone:

LOL Angela

19:10:56 From Angela Dills to Everyone:

Not the first time that happened - LOL

19:11:10 From Rachna Anand to Everyone:

You are worked too hard !!!!

19:11:33 From Angela Dills to Everyone:

19:13:45 From Rachna Anand to Everyone:

You have 13 siblings@ Dawn !!!

19:14:05 From Rachna Anand to Everyone:

19:18:00 From Rachna Anand to Everyone:

You still have time Dawn

19:36:46 From Fei to Everyone:

ASPECTS WITHIN THE PROGRESSED CHART

19:37:01 From Rachna Anand to Everyone:

Thank you Fei

19:38:02 From Fei to Everyone:

.08

19:49:59 From Fei to Everyone:

A lot of work for sure

19:50:14 From Fei to Everyone:

Excitement and at the same time taking care of kids

19:53:06 From Angela Dills to Everyone:

Not my favorite time - LOL

19:53:32 From Rachna Anand to Everyone:

Kids + School is not easy

20:19:12 From Angela Dills to Everyone:

Fei, you look like you're still tired

20:24:45 From Fei to Everyone:

I am still sick Angela

20:24:56 From Fei to Everyone:

Super exhausted

20:25:16 From Angela Dills to Everyone:

I'm sorry.... I hope things shift for you soon. I know you've been working really hard.

20:25:20 From Fei to Everyone:

Thank y9u

20:26:05 From Fei to Everyone:

Yeah. I just finished the conference booklet, it turned out to be a small book. Sigh

20:26:26 From Fei to Everyone:

Conference program I mean, it is a mini VA book

20:26:44 From Rachna Anand to Everyone:

wow @ Fei

20:26:45 From Fei to Everyone:

Will sleep early tonight

20:27:32 From Alisha Mishell to Everyone:

Reacted to "Will sleep early ton..." with 

20:51:18 From Fei to Everyone:

If you don't go out, you will feel confined

20:51:45 From Fei to Everyone:

You need a get out of Jail pass

20:53:23 From Fei to Everyone:

I am not so familiar with that. I am so curious

20:53:31 From Angela Dills to Everyone:

I always tell people that if you have a transit to meet someone important that day but you stay in and binge Netflix, it's not gonna happen (or VERY unlikely ;)

20:57:26 From Fei to Everyone:

21:00:30 From Fei to Everyone:

I am so curious about this

21:04:06 From Angela Dills to Everyone:

I have tried to learn solar arcs for years and it's never really sunk in

21:05:26 From Rachna Anand to Everyone:

Oh la la

21:05:55 From Fei to Everyone:

I know someone who is tall dark and handsome and is single coming  
ha ha ha ha

21:06:24 From Rachna Anand to Everyone:

Keeping my eyes peeled for that profile for you at the conference @  
Dawn

21:07:35 From Fei to Everyone:

I will experiment with this using my own chart

21:07:41 From Fei to Everyone:

I am super curious

21:07:58 From Fei to Everyone:

How are you doing Rachna, are you able to follow?

21:08:11 From Fei to Everyone:

This is a new territory for you

21:08:22 From Rachna Anand to Everyone:

LOL, this is how I feel every class Fei. But I love learning, its my high

21:09:02 From Fei to Everyone:

It is exciting huh? This is why I became an astrologer, it is hard to stop it is exiting all the way learning it

21:09:32 From Fei to Everyone:

exciting I mean

21:09:40 From Rachna Anand to Everyone:

There is so much to learn, I don't think we can ever exhaust learning in astrology !!!!!
