

1st Course, 5th Class

Wednesday, February 8

1. Homework: Similar to the previous weeks.
2. In the last 3 classes in this course, the 6th, 7th, and 8th classes, we cover details not covered in class, like meanings of vibrations up to 32, and we work with the ideas. In the last 3 classes I will not be introducing very many new ideas.

(3. Note: birth data for Richard, Vince and Leslie)

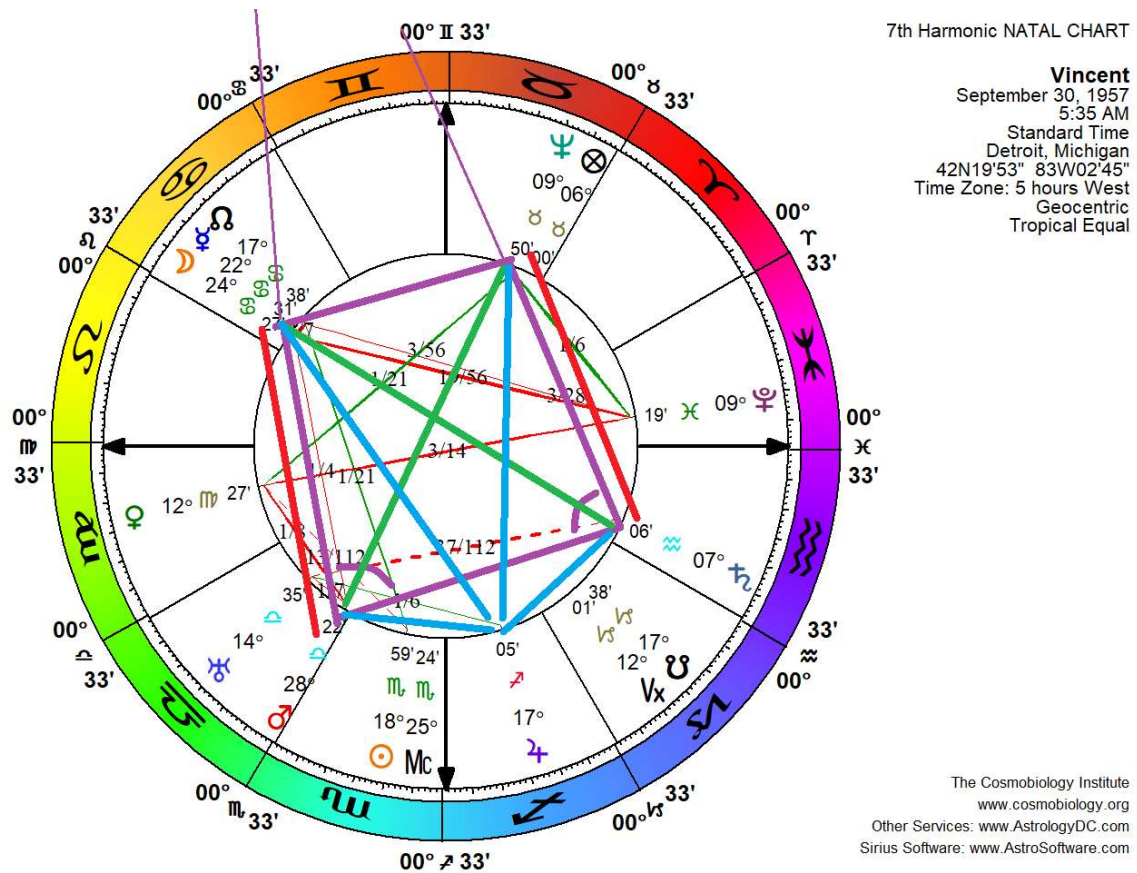

4. A note about Kristen's 5V aspects:

"And that is what I am all about. I honor children. I feel that they are, and their childhood is, sacred. I feel that there is nothing more important than our children and therefore, there is nothing more important than our children's childhood. No one, in my opinion, can replace a mother (or a father), a parent's love and protection is what is needed in a child's life and there is no one that can guarantee their childhood will be filled with good feelings of 'my mom is here' besides me. Even though I didn't know it initially, I never wanted to give that vital

responsibility to anyone else and I never wanted to chose to leave my child ever again.

3. Midpoint Structures, Isotraps and Arabic Parts

So sorry! I accidentally pulled the plug on the
computer

19:15:31 From Vince and Leslie to Everyone:

Vincent here... are Midpoints similar to transits?

19:19:05 From Cosmic Patterns to Everyone:

Hi Vince, no, Midpoint is 3 planets combinations. It
can be in natal, compatibility or transit

19:20:20 From Cosmic Patterns to Everyone:

A Transit is a Forecasting method, while a midpoint is
a 3 planet combination where one planet is in the middle
as a focal point

19:21:19 From Vince and Leslie to Everyone:

Thank you

19:23:43 From Cosmic Patterns to Everyone:

19:25:03 From Jehan to Everyone:

Fei, I'll have to arrange to use someone else's internet to get your help in reinstalling the software.

19:25:07 From Cosmic Patterns to Everyone:

It is best to try, not to worry about making mistakes

19:25:24 From Cosmic Patterns to Everyone:

Ok Jehan, text me anytime

19:25:54 From Jehan to Everyone:

I have no idea what happened or why it wouldn't load for me or my friend.

19:26:01 From Cosmic Patterns to Everyone:

Good Michael

19:26:14 From Michael Spremulli to Everyone:

19:26:41 From Cosmic Patterns to Everyone:

19:28:04 From Jehan to Everyone:

Replying to "Jehan, did you try r..."

I'll have to get help with how to restore a computer to an earlier time.

19:28:22 From Cosmic Patterns to Everyone:

19:30:11 From Subhashish(Subs) Acharya to Everyone:

19:31:38 From Jehan to Everyone:

I think Windows 11, but not 100%

19:33:11 From Cosmic Patterns to Everyone:

Replying to "I think Windows 11, ..."

You have to be absolutely sure, I will send you an email on how to find out what OS you have on your computer.

19:34:11 From Jehan to Everyone:

Replying to "I think Windows 11, ..."

Ok, thanks

19:35:16 From Jehan to Everyone:

Replying to "I think Windows 11, ..."

Guess what! I just got Sirius to open!!!

19:35:20 From Jehan to Everyone:

Replying to "I think Windows 11, ..."

So happy

19:35:40 From Jehan to Everyone:

Replying to "I think Windows 11, ..."

I opened it from a different place in the computer

19:37:30 From Jehan to Everyone:

Replying to "I think Windows 11, ..."

I don't know how PCs store software, or other content. So I didn't know where I was supposed to look. I just stumbled upon it. It's not straightforward for me like Macs.

19:45:05 From Cosmic Patterns to Everyone:

Replying to "I think Windows 11, ..."

Ok great

19:45:19 From Cosmic Patterns to Everyone:

Replying to "I think Windows 11, ..."

Pay attention to what you did or take notes for your future use

19:47:09 From Jehan to Everyone:

Replying to "I think Windows 11, ..."

Yes. I wasn't located where I thought the original is

located...based on other astro software I have that my friend helped me install and find when it's not opening from the taskbar

19:47:57 From Cosmic Patterns to Everyone:

Replying to "I think Windows 11, ..."

Ok Wonderful.

19:50:25 From Subhashish(Subs) Acharya to Everyone:

So @Phillip , you may like to hear Hard rock like AC/DC , but in Classical style?

19:51:03 From Phillip Maxwell to Everyone:

I like alternative rock a little more, but as I get older I do like the music softer

19:51:17 From Phillip Maxwell to Everyone:

classical style would be 35th vibe

19:51:28 From Phillip Maxwell to Everyone:

I do like classical music as well

19:52:06 From Phillip Maxwell to Everyone:

oh classical could also be 7 vibe

19:52:08 From Cosmic Patterns to Everyone:

Vince, do you see it now?

19:52:41 From Subhashish(Subs) Acharya to Everyone:

So @PPhillip I bet you whistle

19:53:11 From Cosmic Patterns to Everyone:

TAKE NOTES EVERYONE

19:53:16 From Phillip Maxwell to Everyone:

I like to sing. Again though another vibe

19:54:04 From Cosmic Patterns to Everyone:

Moon, what is the keyword for Moon? Mercury, what is the keyword for it, Neptune, what is the keyword? Find the keywords for each of those three and create a sentence

19:54:09 From Subhashish(Subs) Acharya to Everyone:

Ah! Great talent @Phillip. Last time I started singing, my neighbors dog started howling at me.

19:54:40 From Kristen Rodzos to Everyone:

Reacted to "I like to sing. Agai..." with 

19:54:47 From Phillip Maxwell to Everyone:

Everyone can sing, but some of us need training. I trained so that helped

19:56:10 From Cosmic Patterns to Everyone:

The way he communicate is he expresses his emotion without him knowing it. Extremely dramatic

19:56:53 From Cosmic Patterns to Everyone:

Very dramatic way of communicating

19:59:04 From Cosmic Patterns to Everyone:

It is best to focus on the chart that is being discussed and not go all over the place. If you do, it will be way too confusing for all of you guys. Stick to the chart that is being discussed and stay on it.

19:59:42 From Cosmic Patterns to Everyone:

11 vibe

19:59:54 From Cosmic Patterns to Everyone:

Restless

20:00:01 From Cosmic Patterns to Everyone:

11 is reastless

20:00:05 From Cosmic Patterns to Everyone:

restless

20:01:24 From Subhashish(Subs) Acharya to Everyone:

Phillip , you watch Sci Fi movies, correct?

20:02:14 From Subhashish(Subs) Acharya to Everyone:

But you want to movies to have an “idealistic” savior?

20:06:57 From Richard Smoot to Everyone:

break time

20:07:27 From Cosmic Patterns to Everyone:

Smell is an excellent example, follow the smell when you are interested of that smell he he he he

20:07:54 From Subhashish(Subs) Acharya to Everyone:

So Phillip, you would be like a “truth seeker”, and you have the “Why???”

20:08:02 From Richard Smoot to Everyone:

depends on the smell

20:08:36 From Cosmic Patterns to Everyone:

VERY FUNNY RICHARD

20:09:04 From Cosmic Patterns to Everyone:

I FELT PHILIP

20:09:10 From Cosmic Patterns to Everyone:

How about you guys

20:09:33 From Kristen Rodzos to Everyone:

yes! I feel it!

20:09:55 From Cosmic Patterns to Everyone:

Subhashis, Truth sicker has Pluto with it. This does not have Pluto connected to it

20:10:04 From Cosmic Patterns to Everyone:

Awesome Kris

20:10:10 From Richard Smoot to Everyone:

he was very excited and quick to get the books he likes

20:10:36 From Cosmic Patterns to Everyone:

That energy is CURIOSITY

20:10:43 From Subhashish(Subs) Acharya to Everyone:

I did feel Phillip. Next time @Phillip feels very energetic , I suggest a single malt of whiskey with water?

Like Homeopathic medicine? ;)

20:10:44 From Cosmic Patterns to Everyone:

Not to sick the truth

20:10:52 From Phillip Maxwell to Everyone:

Subhashis, you are probably tuning into me anyway, but not 11. 13th vibe might show it though for my chart

20:12:12 From Richard Smoot to Everyone:

@Phillup 22 is also strong...11 with others, sharing the experience

20:16:55 From Phillip Maxwell to Everyone:

I have Sun Uranus square Saturn in the 88 vibe. Should I be concerned?

20:19:37 From Subhashish(Subs) Acharya to Everyone:

@Fei - thank you, I have seen anyone seeking the truth always having a Plot connection.

20:22:07 From Richard Smoot to Everyone:

richard bck

20:23:56 From Kristen Rodzos to Everyone:

I love that, David! Do what the chart says...the

Hollywood people did their chart:)

20:25:32 From Cosmic Patterns to Everyone:

ALWAYS USE THE PLANETS KEYWORDS. YOU HAVE IT FROM THE BEGINNING OF THE CLASS

20:25:41 From Cosmic Patterns to Everyone:

FAT LINES MEANS SMALL ORB

20:25:57 From Subhashish(Subs) Acharya to Everyone:

@Kristen thats exactly what Carl Jung says. Oneeds to make the Unconscious ... conscious.! Takes guts though 😊

20:26:09 From Kristen Rodzos to Everyone:

Reacted to "@Kristen thats exact..." with 🤍

20:26:24 From Kristen Rodzos to Everyone:

It DOES take guts! Thanks for sharing, Subs!

20:27:01 From Cosmic Patterns to Everyone:

If there are 5 planets connected with thick lines, then USE THE KEYWORDS. Get one keyword for each planet and create a sentence out of those keywords. You WILL be able to easily analyze 3 or more planets combinations

20:27:09 From Cosmic Patterns to Everyone:

Saturn is the Organizer too

20:27:29 From Cosmic Patterns to Everyone:

It becomes very spiritual

20:27:40 From Cosmic Patterns to Everyone:

Saturn Neptune

20:31:17 From Cosmic Patterns to Everyone:

Neptune calms Saturn down. It makes it seek spiritual path, a very meaningful path and is visual

20:32:02 From Cosmic Patterns to Everyone:

That is why meditation is always the action it is taking

20:33:48 From Subhashish(Subs) Acharya to Everyone:

I thought @Kristen - when Sat-Neptune 5th vibe - "hands that help, are holier than the lips that pray". Does this identify you. It is "High" integrity! Is that accurate.

20:34:38 From Kristen Rodzos to Everyone:

I love that Subs, that is how I feel. Walk the walk 😊

20:34:55 From Kristen Rodzos to Everyone:

And I prob have that saying wrong lol

20:35:13 From Subhashish(Subs) Acharya to Everyone:

Then @Kristen, we are friends. Thats my philosophy too! Walk the Talk people 😊

20:35:49 From Kristen Rodzos to Everyone:

Yes! I love that and we are so friends😊))

20:37:59 From Cosmic Patterns to Everyone:

JUPITER IS THE KING

20:38:16 From Cosmic Patterns to Everyone:

Jupiter is in control of Vince he he he he

20:38:42 From Richard Smoot to Everyone:

Hail Zeus!

20:38:43 From Cosmic Patterns to Everyone:

Remember, this is 7 vibe!!!!

20:38:55 From Cosmic Patterns to Everyone:

Stick to the vibe and the planets in it so you feel the chart

20:39:17 From Cosmic Patterns to Everyone:

Remember, THERE IS THE MOON

20:42:45 From Subhashish(Subs) Acharya to Everyone:

So @Vince feels awe and inspiration and likes to be One with the Universe.

20:43:30 From Cosmic Patterns to Everyone:

He eats and breaths business

20:45:23 From Subhashish(Subs) Acharya to Everyone:

So @ Vince would like to build idealistic Ecovillage where everyone feels home and revels in the Oneness of the Universe?

20:45:43 From Richard Smoot to Everyone:

@Fei Vince is also comfortable in what he believes. Taking concrete action?

20:46:17 From Cosmic Patterns to Everyone:

Subhashis, Vince dream is to open a healing center so he can help people. A spiritual center. He is likely to open it in one year

20:46:19 From Subhashish(Subs) Acharya to Everyone:

Ah! @Vince, you are like Marlon Brando in the God father?

20:48:51 From Cosmic Patterns to Everyone:

Too many ideas, too many things going on, too many responsibilities. It is best to slow it down so that you are able to breath so to speak

20:49:34 From Richard Smoot to Everyone:

Reacted to "Ah! @Vince, you are ..." with 🤔

20:49:57 From Subhashish(Subs) Acharya to Everyone:

@Fei, we can all breathe well when we are 6 ft under 😊 For now, we build great stuff. The world needs the Vinces of the world - who can build 😊 .

20:50:09 From Cosmic Patterns to Everyone:

20:55:39 From Cosmic Patterns to Everyone:

Pages 186 to 198

20:59:58 From Subhashish(Subs) Acharya to Everyone:

@Vince then would be a great Orchestrator and
Project Manager?

21:00:36 From Subhashish(Subs) Acharya to Everyone:

Basically then he would like to see harmony between
everything happening?

21:02:57 From Vince and Leslie to Everyone:

Yes Subs, he orchestrates EVERYTHING.. He is always the guy to call to put things back in order.

21:03:03 From Cosmic Patterns to Everyone:

21:03:58 From Subhashish(Subs) Acharya to Everyone:

@Vince and @Leslie - Great! I like to eat. You just need to invite me over 😊

21:04:04 From Vince and Leslie to Everyone:

Every day a good meal for me to fix is his quest...
"Leslie, I know what I want for Dinner"

21:04:23 From Cosmic Patterns to Everyone:

Very funny Leslie

21:04:31 From Vince and Leslie to Everyone:

Ok Subs! For sure!

21:04:57 From Richard Smoot to Everyone:

I'm all set!

21:05:39 From Michele Marie to Everyone:

21:05:50 From Cosmic Patterns to Everyone:

It will be recorded

21:07:28 From Michele Marie to Everyone:

21:11:04 From Cosmic Patterns to Everyone:

It depends on the planets involved on the isotrap

21:12:11 From Cosmic Patterns to Everyone:

I have to sign off everyone

21:12:13 From Cosmic Patterns to Everyone:

Good night

21:13:38 From Subhashish(Subs) Acharya to Everyone:

21:13:51 From Subhashish(Subs) Acharya to Everyone:

21:14:21 From Vince and Leslie to Everyone:
