

1st Course, 4th Class

Wednesday, February 1

1. Homework: Similar to the previous 2 weeks.
2. Sending wheels, etc. in email and putting them in documents.
3. Vibrational Charts:
 - (a) Similarity between vibrational charts 5, 10 and 20 or between 2, 4 and 8.

3rd harmonic would not be 15th? But can be 6th harmonic?
 - (b) Can we interpret aspects to the 4 angular house cusps? and also: Can we interpret the 55-Vibe chart for a person without a birth time? Leslie loves the music of a fellow and both of us think he must have 55-Vibe strong but there in birth time for him.
 - (c) Can we include Chiron?
 - (d) How an aspect or midpoint structure "picks up" other planets in higher vibrations. 3-Planet pattern in Jehan's chart and Sun-Moon in Michele's chart. Kathy's 7-Vibe pattern and overtones of it.

Chat:

19:14:31 From Phillip Maxwell to Everyone:

So use your venus then

19:30:38 From Subhashish(Subs) Acharya to Everyone:

So we are going higher octave or higher fractal?

19:33:23 From Cosmic Patterns to Everyone:

Subhashish, if you do not see that much aspects on a vibration, you look at the next octave. For example 8-vibe, the next octave is 16, 24, 32 etc.

19:33:49 From Subhashish(Subs) Acharya to Everyone:

Got it @Fei! I am writing it down in Bold letters.

19:33:49 From Cosmic Patterns to Everyone:

Going octaves higher, the more you see the strength of the aspects

19:34:03 From Cosmic Patterns to Everyone:

You are welcome

19:35:36 From Cosmic Patterns to Everyone:

Octave means, multiple of a vibrational chart such as $3 \times 3 = 9$, next octave is $3 \times 4 = 12$, next octave will $3 \times 5 = 15$, and so on

19:38:03 From Subhashish(Subs) Acharya to Everyone:

Ah! Thanks Fei, yes, I need to keep that in mind. So for 7 ... octaves are 7,14, 21,

19:39:11 From Cosmic Patterns to Everyone:

Yes that is correct

19:41:15 From Subhashish(Subs) Acharya to Everyone:

So Fei, as children when we the “Times Table” They are basically just Octaves.

19:41:40 From Subhashish(Subs) Acharya to Everyone:

I meant in school we are supposed to memorize the Tims Tables in Math...

19:41:49 From Subhashish(Subs) Acharya to Everyone:

It is all Harmonic Octaves

19:44:17 From Cosmic Patterns to Everyone:

Ah, do mean the periodic table of elements and the math table at the back of a notebook? I love those

19:44:40 From Cosmic Patterns to Everyone:

Yes that is correct

19:45:10 From Subhashish(Subs) Acharya to Everyone:

@David - if Carl Jung was alive, he would have looked at VA and said - this is the way people need to do "Individuation"

19:45:36 From Cosmic Patterns to Everyone:

They still have it now, my grand children just showed it to me a few weekends ago

19:46:10 From Subhashish(Subs) Acharya to Everyone:

The Math tables! Fei

19:46:23 From Cosmic Patterns to Everyone:

Yap

19:47:38 From Subhashish(Subs) Acharya to Everyone:

I wish the teachers told us all that! It would have made so much meaning. That's why I liked being a back bencher . I am catholic educated. The Nuns hated me!!!

19:49:26 From Cosmic Patterns to Everyone:

Kathy, you are an excellent motivational speaker. If

you are not doing this, at least do some writing, visual writing, romance and children book

19:50:30 From Cosmic Patterns to Everyone:

Creative writing

19:51:03 From Cosmic Patterns to Everyone:

Are you guys taking notes?

19:51:05 From Kathy to Everyone:

Thanks. Fei. I do a lot of writing and one-on-one motivational work. Not public speaking, though. Always hated that.

19:52:28 From Cosmic Patterns to Everyone:

You are welcome. Have you tried public speaking or with groups specially those that are suffering depression and loneliness

19:54:01 From Cosmic Patterns to Everyone:

7 is quiet

19:54:12 From Cosmic Patterns to Everyone:

$5 \times 7 = 35$

19:54:20 From Cosmic Patterns to Everyone:

inner

19:54:27 From Cosmic Patterns to Everyone:

inner vibration

19:54:45 From Cosmic Patterns to Everyone:

it is what the person loves to do in the inner level of deep in their self

19:55:34 From Kathy to Everyone:

not formally, I haven't, but informally, yes. thanks for the suggestion

19:56:12 From Cosmic Patterns to Everyone:

You hacw Jupiter trine Mars, you WILL be good at public speaking

19:56:25 From Cosmic Patterns to Everyone:

in 5vibe

19:57:05 From Cosmic Patterns to Everyone:

Jupiter Mars in 5th is a large scale vision, a large outreach, you will be able to help a lot of people

19:57:15 From Subhashish(Subs) Acharya to Everyone:

@Fei - is there a Harmonic for being Lazy. I want to

check if that resonates with me?

19:58:00 From Cosmic Patterns to Everyone:

You are making me laugh Subhashis 😊

19:58:22 From Cosmic Patterns to Everyone:

Put yourself up and not down Subhashish

19:59:45 From Cosmic Patterns to Everyone:

10x5

19:59:53 From Michael Spremulli to Everyone:

Wow - had not thought about the element of speed.

20:00:28 From Cosmic Patterns to Everyone:

With the vibrational charts, we cannot use the houses and the cusps because the speed is rather fast

20:01:17 From Vince and Leslie to Everyone:

have you been able to do any of these higher octaves on a savant type of gifted individuals? If not I'd like to do that for you one day

20:01:36 From Vince and Leslie to Everyone:

I mean in a study... research

20:02:52 From Cosmic Patterns to Everyone:

Hi Vince, yes that is a good project, we actually use octaves of vibrational charts when doing research. I presented it at the VA2022 conference when I researched the heart disease. I used it again doing the breast cancer that I will be presenting at the conference next month

20:02:55 From Subhashish(Subs) Acharya to Everyone:

@Michael, exactly - the speed thing was a key thing that I noted today

20:03:18 From Vince and Leslie to Everyone:

Reacted to "Hi Vince, yes that i..." with 👍

20:03:45 From Vince and Leslie to Everyone:

Thanks Fei (Its Leslie --- Sorry)

20:04:05 From Cosmic Patterns to Everyone:

Hi Leslie, sorry

20:04:06 From Kathy to Everyone:

I'm confused about why the 7 vibration chart is showing in Leo. It's actually in Aries.

20:04:59 From Cosmic Patterns to Everyone:

You can join our research group once you finished at least half of this program or after you graduate

20:05:01 From Subhashish(Subs) Acharya to Everyone:

Good point @Kathy. Thats a question I had on some charts too

20:05:47 From Vince and Leslie to Everyone:

Reacted to "You can join our res..." with 👍

20:05:50 From Subhashish(Subs) Acharya to Everyone:

But when you move higher octave, the aspect changes, so houses change, but the "element" remains the same?

20:06:07 From Subhashish(Subs) Acharya to Everyone:

What I wrote was for @Kathy

20:07:00 From Vince and Leslie to Everyone:

Reacted to "You can join our res..." with ❤️

20:08:39 From Cosmic Patterns to Everyone:

"I'm confused about why the 7 vibration chart is showing in Leo. It's actually in Aries." Kathy, which one?

20:08:57 From Cosmic Patterns to Everyone:

Which planet in Leo?

20:09:33 From Kathy to Everyone:

sorry, Fei, I meant my ascendent

20:09:46 From Cosmic Patterns to Everyone:

Oh I see it now

20:10:09 From Cosmic Patterns to Everyone:

We do not use the Asc and all the house cusps lines in VA Charts, you can ignore it

20:10:42 From Cosmic Patterns to Everyone:

If we are using the Asc, then Leo is correct, it is the Ascendant of the 7 vibe chart

20:10:51 From Kathy to Everyone:

ok, I was confused because David was saying that Pluto is conjunct the ascendent in my 7v chart

20:11:05 From Cosmic Patterns to Everyone:

Your regular natal chart remains with Aries Asc

20:11:24 From Cosmic Patterns to Everyone:

Yes it

20:11:44 From Cosmic Patterns to Everyone:

The 7 vibe Asc is Leo 23, Pluto is next to it in Leo 22

20:11:56 From Cosmic Patterns to Everyone:

It is correct

20:12:11 From Kathy to Everyone:

ok, so it's just the position. on the eastern horizon that represents the ascendent in a vibrational chart, then.

20:12:14 From Cosmic Patterns to Everyone:

Sorry, pluto is 23, asc is 22

20:13:04 From Cosmic Patterns to Everyone:

this is the reason why we don't use the Asc and the cusps positions in VA charts because it is not the true position of it in the eastern horizon

20:13:23 From Cosmic Patterns to Everyone:

just ignore the asc and the cusps in all va charts

20:13:33 From Kathy to Everyone:

ok, thanks

20:14:37 From Cosmic Patterns to Everyone:

You are welcome

20:15:01 From Subhashish(Subs) Acharya to Everyone:

@Fei - I like your song

20:17:21 From Cosmic Patterns to Everyone:

<https://www.astrologydc.com/wednesday>

20:17:34 From Cosmic Patterns to Everyone:

It is working Richard, my internet was very low

20:17:54 From Cosmic Patterns to Everyone:

Subhashis, what song?

20:21:16 From Cosmic Patterns to Everyone:

increases

20:22:29 From Richard Smoot to Everyone:

richards back

20:27:28 From Cosmic Patterns to Everyone:

LOOK at the dark lines

20:27:37 From Cosmic Patterns to Everyone:

The darker the aspects are small

20:28:33 From Cosmic Patterns to Everyone:

Mercury trine Neptune, Jupiter trine Saturn, it is called an Isotrap, 4 planets combination of the same angles

20:28:55 From Cosmic Patterns to Everyone:

Go back to your keywords

20:29:08 From Phillip Maxwell to Everyone:

I feel like I have the weekess 5th vibe in this cohort....

20:29:09 From Cosmic Patterns to Everyone:

Keywords of each planets

20:29:33 From Cosmic Patterns to Everyone:

Keywords

20:33:17 From Subhashish(Subs) Acharya to Everyone:

I think now I realize the greatest invention of the 5th harmonic. Friday, the 5th day is "Thank God Its Friday".
Time to Play!

20:34:29 From Cosmic Patterns to Everyone:

Create and image you guys

20:34:50 From Cosmic Patterns to Everyone:

use the keywords for each planets then create a sentence then an image

20:35:09 From Subhashish(Subs) Acharya to Everyone:

Thanks @Fei, Now I see the connections of the keywords

20:35:15 From Cosmic Patterns to Everyone:

They are in Isotrap. An isosceles trapezoid occurs whenever the angular distance between two pairs of planets is the same.

20:35:38 From Cosmic Patterns to Everyone:

DANCE

20:35:45 From Cosmic Patterns to Everyone:

Tango

20:35:56 From Cosmic Patterns to Everyone:

Mercury is communicatin

20:36:20 From Cosmic Patterns to Everyone:

Mercury in 5 vibe can be a standup comedian

20:36:38 From Vince and Leslie to Everyone:

Reacted to "Mercury in 5 vibe ca..." with 👍

20:37:06 From Cosmic Patterns to Everyone:

Playful with words

20:37:11 From Subhashish(Subs) Acharya to Everyone:

Wow @Kristen, you are the first one I saw an Isotrap

20:37:20 From Michael Spremulli to Everyone:

Reacted to "Playful with words" with 👍

20:39:14 From Cosmic Patterns to Everyone:

Do you like the museum Kristen?

20:39:26 From Cosmic Patterns to Everyone:

Do you paint?

20:41:18 From Jehan to Everyone:

Kristen's voice sounds fun and light.

20:41:43 From Cosmic Patterns to Everyone:

Jupiter loves children

20:42:04 From Jehan to Everyone:

Which planet would most indicate the voice?

20:42:26 From Cosmic Patterns to Everyone:

Mercury

20:42:48 From Jehan to Everyone:

That's what I was thinking

20:43:21 From Subhashish(Subs) Acharya to Everyone:

Congrats @Kristen!

20:50:18 From Cosmic Patterns to Everyone:

Extremely responsible

20:51:25 From Cosmic Patterns to Everyone:

HAVE FUN KRISTEN AND BE FREE WHEN YOUR KIDS ARE ALL GROWN. They will be like your friends and will have fun when they are all grown up

20:52:13 From Subhashish(Subs) Acharya to Everyone:

I thought @Fei - Isotrap always go through Paradoxes. To be, or Not to be kind off.

20:55:12 From Cosmic Patterns to Everyone:

refer to the meaning of the planets and use one keyword each then create a sentence
