12:06:22 From Fei to Everyone:

I suggest you guys do your homework and practice. The only way to be good at this is to practice doing charts this way you are not just learning the theory. Our aim for these classes is for ALL of you to be able to do VA Consultations before you even graduate.

12:08:25 From Fei to Everyone:

Being the one of the VA Astrologer Consultant at the VA2024 conference, you will have your On the Job Training so to speak that other graduates did not get to experience. By the time 2024 comes, you should all be able to do VA Consultations, way before you even graduate.

12:09:24 From Fei to Everyone:

The conference will not ask for any commission from your earning as VA Consultant at the conference. It will be all yours. This is also a way to gain future clients.

How does Pluto play a part with Venus? Not really
