19:23:51 From Kristen Rodzos to Everyone:

Since Saturn is about stripping away all that isn't necessary, would Saturn then, when connected to another planet, make the other planet's energy be the most authentic, most important? Saturn Uranus freedom? Saturn Moon, connection to the past most important....etc.?

19:24:23 From Fei to Everyone:

You got it Kristen

19:24:35 From Kristen Rodzos to Everyone:

Thanks!

19:24:46 From Jehan to Everyone:

Would you say Saturn square Uranus could make a person act in a passive aggressive way?

19:25:41 From Michele Marie to Everyone:

Saturn won't sell out on freedom and be very agitated in an environment when asked to conform.

19:27:07 From Fei to Everyone:

One of those people is extremely rebellious and has been to prison more than once.

19:30:21 From Michael Spremulli to Everyone:

Sat-Nep = Hates glitz and glamour. Can't stand fakes and phony people. May leave organized religion that they were raised on and gravitate for genuine spirituality instead because in their mind it's the real deal.

The pair

19:39:50 From Kathy Sanchez to Everyone:

Not really Kathy. Neptune makes Saturn think actually

I meant if Sat-Nep went wrong, was suppressed in some way

19:40:55 From Fei to Everyone:

If Saturn Neptune aspect is not obvious or the person is not able to connect to that energy, it is suppressed. This is when you will ask about their past experiences.

19:41:44 From Kathy Sanchez to Everyone:

Reacted to "If Saturn Neptune as..." with 👍

19:41:54 From Fei to Everyone:

This is true with other aspects in the chart. If you see that the person can be a great musician for example, and this person dislikes music, more than likely something happened in their life that suppressed this talent.

19:42:36 From Fei to Everyone:

This is when us astrologers can really help. Bring them to connect to their true self
