

5th Course, 1st class

Thursday, Feb 2

1. Course Topics and Homework: On our online course page. Each week submit a paragraph or two or a short video on any questions, thoughts or observations.

2. Improved format for the course page. Note that the Chat will now be at the end of these notes with a link to it, and another link to the recording of the class.

3. Reminder: VA Conference. Thursday preconference meeting for Students Only.

4. "Office Hours" for your questions and discussions.

The first forecast method: Transits using the TimeLine format.

I see Mars Pluto

19:23:48 From Angela Dills to Everyone:

Alisha - my Mars is at 28 Cancer, so I've been feeling this for a while too! 😊 exhausting

19:24:07 From Alisha Mishell to Everyone:

yes, for sure

19:24:37 From Alisha Mishell to Everyone:

we have a mars contact 😊

19:24:49 From Angela Dills to Everyone:

Yes! 😊

19:43:05 From Cosmic Patterns to Everyone:

Natal and Transit

19:43:19 From Dawn Rae to Everyone:

that's interesting!

19:43:45 From Dawn Rae to Everyone:

How well will I get along with the day?

19:45:18 From Cosmic Patterns to Everyone:

Look at your transit when you drove up here yesterday Dawn. It will be interesting. It will tell how well your day did

19:45:49 From Cosmic Patterns to Everyone:

You can do a one day time line, you will see the hourly aspects

19:46:02 From Dawn Rae to Everyone:

Wait until I tell you the story, Fei! And yes I will have to go look at the transits.

19:48:38 From Cosmic Patterns to Everyone:

Can't wait Dawn :)
