19:15:01 From Subhashish(Subs) Acharya to Everyone:

19:21:51 From Cosmic Patterns to Everyone:

It has to be the same color and small orbs

19:22:09 From Michael Spremulli to Everyone:

19:22:17 From Cosmic Patterns to Everyone:

👋 Kahty 👋

19:23:01 From Subhashish(Subs) Acharya to Everyone:

Watch it, Michael with the Detroit cracks

19:29:24 From Michael Spremulli to Everyone:

Replying to "Watch it, Michael wi..."

My Uranus got me in trouble yet again. 😊

19:29:59 From Michele Marie to Everyone:

Replying to "Watch it, Michael wi..."

I heard Detroit was nice 😊

19:30:09 From Subhashish(Subs) Acharya to Everyone:

Moon-Ven-Neptune - is like going to the Museum.
Then Sun-Venus- Neptune is like going to the Circus?

19:31:56 From Cosmic Patterns to Everyone:

Claustrophobic means, not comfortable in small space. People with a very strong Sagittarius in the chart can be afraid being in an elevator for example. Say, some with Aries in Sagittarius and some aspects to it can have a claustrophobia anxiety.

19:33:53 From Cosmic Patterns to Everyone:

Moon Venus Neptune is a super romantic personality

19:33:59 From Subhashish(Subs) Acharya to Everyone:

@Fei - Does Sun-Ven-Neptune people - Idolize successful people. They worship icons?

19:35:47 From Cosmic Patterns to Everyone:

Sun Venus Neptune is a very idealistic personality.
Can follow or idolize actors and actresses that they think
are handsome and beautiful for example.

19:39:19 From Cosmic Patterns to Everyone:

There are two isotraps

19:39:28 From Cosmic Patterns to Everyone:

You are correct Ethan

19:40:37 From Michele Marie to Everyone:

Captured by the new and the past

19:41:01 From Phillip Maxwell to Everyone:

Moon Saturn to start is getting to a real mood. A
mood getting to the essentials, Uranus is in the instant.
What is our essential mood right now.

19:41:48 From Jehan to Everyone:

Uranus Saturn is very rebellious, isn't it? Must feel

free and that feeling can be found in stillness

19:41:52 From Michele Marie to Everyone:

Wants to get to the essential and relevant past and how it relates to today

19:42:06 From Kathy Sanchez to Everyone:

someone who likes still photography that captures a deep, interesting emotion?

19:42:08 From Cosmic Patterns to Everyone:

Moon Uranus = Super spontaneous, once the mood kicks in, there is no stopping it, he will go for it. Mercury Neptune = his way of thinking is very imaginative

19:43:27 From Cosmic Patterns to Everyone:

Now combining the 4: Moon Uranus, Mercury Neptune: He can be an spontaneous speaker when his mood really wants do it. His emotion must like it then he will do it without a problem.

19:44:01 From Kristen Rodzos to Everyone:

We say that all the time! lol don't worry, Michael

19:44:23 From Phillip Maxwell to Everyone:

A sophisticated sense of having a free authentic

mood.

19:46:11 From Cosmic Patterns to Everyone:

19:46:38 From Michael Spremulli to Everyone:

Reacted to "Sun Mercury Moon Sat..." with 👍

19:46:50 From Subhashish(Subs) Acharya to Everyone:

Or a symbolism expert?

19:47:15 From Cosmic Patterns to Everyone:

It has the Moon connected to it so it is not rebellious

19:47:50 From Cosmic Patterns to Everyone:

Moon usually likes everything done in peaceful manner.

19:48:12 From Kristen Rodzos to Everyone:

Could this aspect indicate that someone is in tune with what others are thinking (without knowing it) and so they frequently have others thoughts pop into their mind and then it results in them saying things that aren't appropriate because it is true?

19:48:41 From Phillip Maxwell to Everyone:

Having an authentic mood that you are free to express so you're comfortable in your own skin, but it is very discriminating and controlled.

19:49:24 From Subhashish(Subs) Acharya to Everyone:

People who are observant - have this, @Fei?

19:49:33 From Michele Marie to Everyone:

20:11:18 From Subhashish(Subs) Acharya to Everyone:

I think I have a corrupted 13th. I have a calling, but I

have no gift!!!

20:14:50 From Kathy Sanchez to Everyone:

that's not possible, Subs, you have the gift of gab and making connections with people

20:16:51 From Cosmic Patterns to Everyone:

3 vibe is not really "calling" so to speak. It is the drive to invent new things that are not replaceable.

20:17:19 From Ethan PS Tang to Everyone:

It's been his job to identify the purpose of individuals. When vibes are strong they become life themes. Amazing

20:17:40 From Cosmic Patterns to Everyone:

The person who discovered antibiotic for example has a very strong 13 viberation

20:20:24 From Cosmic Patterns to Everyone:

Yes, I was joking lol

20:31:03 From Cosmic Patterns to Everyone:

20:31:04 From Jehan to Everyone:

How would you interpret a chart that has 3 separate strong 3 planet patterns, rather than a nice big pattern like this kite?

20:31:33 From Jehan to Everyone:

Would that indicate it's not such a strong chart for that person?

20:35:30 From Kathy Sanchez to Everyone:
